I understand that my payment of \$525.00 per share entitles me to a weekly share of the produce (fruits, vegetables & herbs) harvested by Easy Pickin's Orchard during the growing season (mid-June - October: 20 weeks). I commit to picking up my box of produce every week on the day selected above. If I am unable to pick up my share, I may arrange for a friend or relative to pick up my share. All unclaimed weekly shares will be donated to Enfield Loaves and Fishes or another local food pantry. I understand that agriculture and the expected volume of produce depend on weather and other factors beyond the farmer's control. There is no guarantee of the quantities or specific types of produce. Easy Pickin's Orchard will make every effort to provide a good value for the CSA Members.
